About S Mobility Limited

S Mobility has debuted with handsets that target entry-level mobile phones focused primarily on the Indian Market. Spice Mobility possesses a unique business model wherein its operations of VAS, Retail and Handsets are integrated more closely under one umbrella. The Company strategizes to emerge as an entity not only in the handset industry but as a Marketing and Distribution brand, with a complete suite of offerings through well spread retail outlets throughout the country, comprising all aspects of mobile telephony. S Mobility renews its brand image as a Company that has the vantage point of catering not only to the youth of metropolitan cities but transcend to the masses of rural regions, providing consumers with superior internet & browser friendly handsets, with state-of-the art VAS via the recent introduction of 3G networks and the currently existing data networks. Spice as a brand is growing rapidly and offers an array of products targeting entry, mid & premium segments. S Mobility heralds a new chapter in the history of Indian telephony to emphasize more on mobile internet and launching India's first ever DUAL MODE (dual SIM) Phones.

S Mobility has been known for its innovative and feature rich products from the pioneering Dual SIM, Flexi-Dual and Multi-SIM Phones to Mutli SIM-Windows OS mobiles. Spice Mobility won the coveted 2007 Golden Peacock Award for Innovation.
